▣ [Part 2.6](#). Confidentiality of Medical Information [\(Refs & Annos\)](#)

▣ [Chapter 2](#). Disclosure of Medical Information by Providers [\(Refs & Annos\)](#)

◆ **§ 56.103. Disclosure of a minor's medical information; mental health condition**

(a) A provider of health care may disclose medical information to a county social worker, a probation officer, or any other person who is legally authorized to have custody or care of a minor for the purpose of coordinating health care services and medical treatment provided to the minor.

(b) For purposes of this section, health care services and medical treatment includes one or more providers of health care providing, coordinating, or managing health care and related services, including, but not limited to, a provider of health care coordinating health care with a third party, consultation between providers of health care and medical treatment relating to a minor, or a provider of health care referring a minor for health care services to another provider of health care.

(c) For purposes of this section, a county social worker, a probation officer, or any other person who is legally authorized to have custody or care of a minor shall be considered a third party who may receive any of the following:

(1) Medical information described in [Sections 56.05](#) and [56.10](#).

(2) Protected health information described in [Section 160.103 of Title 45 of the Code of Federal Regulations](#).

(d) Medical information disclosed to a county social worker, probation officer, or any other person who is legally authorized to have custody or care of a minor shall not be further disclosed by the recipient unless the disclosure is for the purpose of coordinating health care services and medical treatment of the minor and the disclosure is authorized by law. Medical information disclosed pursuant to this section may not be admitted into evidence in any criminal or delinquency proceeding against the minor. Nothing in this subdivision shall prohibit identical evidence from being admissible in a criminal proceeding if that evidence is derived solely from lawful means other than this section and is permitted by law.

(e)(1) Notwithstanding [Section 56.104](#), if a provider of health care determines that the disclosure of medical information concerning the diagnosis and treatment of a mental health condition of a minor is reasonably necessary for the purpose of assisting in coordinating the treatment and care of the minor, that information may be disclosed to a county social worker, probation officer, or any other person who is legally authorized to have custody or care of the minor. The information shall not be further disclosed by the recipient unless the disclosure is for the purpose of coordinating mental health services and treatment of the minor and the disclosure is authorized by law.

(2) As used in this subdivision, "medical information" does not include psychotherapy notes as defined in [Section 164.501 of Title 45 of the Code of Federal Regulations](#).

(f) The disclosure of information pursuant to this section is not intended to limit the disclosure of information when that disclosure is otherwise required by law.

(g) For purposes of this section, "minor" means a minor taken into temporary custody or as to who a petition has been filed with the court, or who has been adjudged to be a dependent child or ward of the juvenile court pursuant to [Section 300](#) or [601 of the Welfare and Institutions Code](#).

(h)(1) Except as described in paragraph (1) of subdivision (e), nothing in this section shall be construed to limit or otherwise affect existing privacy protections provided for in state or federal law.

(2) Nothing in this section shall be construed to expand the authority of a social worker, probation officer, or custodial caregiver beyond the authority provided under existing law to a parent or a patient representative regarding access to medical information.

"SECTION 1. The Legislature finds and declares all of the following:

"(a) The State of California is responsible for the health care needs of children and youth who have been removed from their homes due to abuse, neglect, or delinquency, and for ensuring that their health care and mental health needs are met. Access to health care and mental health records is essential for ensuring that health care and mental health needs of foster children and youth are being met.

"(b) A lack of clarity about who may be authorized to share health care and mental health records with caregivers of children and youth in the state's care often results in inadequate health care information being available to caregivers, which jeopardizes the health of the children and youth in the state's care.

"(c) It is the intent of the Legislature to improve the sharing of health care and mental health information concerning children and youth in the state's care by eliminating barriers caused by a lack of clarity in existing law regarding who may be authorized to share health care and mental health information. It is the further intent of the Legislature not to expand existing law and to clarify that existing provisions regarding confidentiality of medical records and the federal Health Insurance Portability and Accountability Act (HIPAA) authorizes psychotherapists to provide health care and mental health information to caregivers of children and youth in foster care to facilitate providing health care and mental health care that meets the needs of these children and youth."

(J) Authorized legal staff or special investigators who are peace officers who are employed by, or who are authorized representatives of, the State Department of Social Services, as necessary to the performance of their duties to inspect, license, and investigate community care facilities, and to ensure that the standards of care and services provided in those facilities are adequate and appropriate and to ascertain compliance with the rules and regulations to which the facilities are subject. The confidential information shall remain confidential except for purposes of inspection, licensing, or investigation pursuant to Chapter 3 (commencing with Section 1500) and Chapter 3.4 (commencing with Section 1596.70) of Division 2 of the Health and Safety **Code**, or a criminal, civil, or administrative proceeding in relation thereto. Names that are confidential shall be listed in attachments separate to the general pleadings. The confidential information shall be sealed after the conclusion of the criminal, civil, or administrative hearings, and may not subsequently be released except in accordance with this subdivision. (K) Members of children's multidisciplinary teams, persons, or agencies providing treatment or supervision of the minor.

(L) A judge, commissioner, or other hearing officer assigned to a

(2) (A) Notwithstanding any other law and subject to subparagraph (A) of paragraph (3), juvenile case files, except those relating to matters within the jurisdiction of the court pursuant to Section 601 or 602, that pertain to a deceased child who was within the jurisdiction of the juvenile court pursuant to Section 300, shall be released to the public pursuant to an order by the juvenile court after a petition has been filed and interested parties have been afforded an opportunity to file an objection. Any information relating to another child or which could identify another child, except for information about the deceased, shall be redacted from the juvenile case file prior to release, unless a specific order is made by the juvenile court to the contrary. Except as provided in this paragraph, the presiding judge of the juvenile court may issue an order prohibiting or limiting access to the juvenile case file, or any portion thereof, of a deceased child only upon a showing by a preponderance of evidence that release of the juvenile case file or any portion thereof is detrimental to the safety, protection, or physical or emotional well-being of another child who is directly or indirectly connected to the juvenile case that is the subject of the petition.

(B) This paragraph represents a presumption in favor of the release of documents when a child is deceased unless the statutory reasons for confidentiality are shown to exist.

(C) If a child whose records are sought has died, and documents are sought pursuant to this paragraph, no weighing or balancing of the interests of those other than a child is permitted.

(D) A petition filed under this paragraph shall be served on interested parties by the petitioner, if the petitioner is in possession of their identity and address, and on the custodian of records. Upon receiving a petition, the custodian of records shall serve a copy of the request upon all interested parties that have not been served by the petitioner or on the interested parties served by the petitioner if the custodian of records possesses information,

such as a more recent address, indicating that the service by the petitioner may have been ineffective.

(E) The custodian of records shall serve the petition within 10 calendar days of receipt. If any interested party, including the custodian of records, objects to the petition, the party shall file and serve the objection on the petitioning party no later than 15 calendar days of service of the petition.

(F) The petitioning party shall have 10 calendar days to file any reply. The juvenile court shall set the matter for hearing no more than 60 calendar days from the date the petition is served on the custodian of records. The court shall render its decision within 30 days of the hearing. The matter shall be decided solely upon the basis of the petition and supporting exhibits and declarations, if any, the objection and any supporting exhibits or declarations, if any, and the reply and any supporting declarations or exhibits thereto, and argument at hearing. The court may solely upon its own motion order the appearance of witnesses. If no objection is filed to the petition, the court shall review the petition and issue its decision within 10 calendar days of the final day for filing the objection. Any order of the court shall be immediately reviewable by petition to the appellate court for the issuance of an extraordinary writ.

(3) Access to juvenile case files pertaining to matters within the jurisdiction of the juvenile court pursuant to Section 300 shall be limited as follows:

(A) If a juvenile case file, or any portion thereof, is privileged or confidential pursuant to any other state law or federal law or regulation, the requirements of that state law or federal law or regulation prohibiting or limiting release of the juvenile case file or any portions thereof shall prevail. Unless a person is listed in subparagraphs (A) to (O), inclusive, of paragraph (1) and is entitled to access under the other state law or federal law or regulation without a court order, all those seeking access, pursuant to other authorization, to portions of, or information relating to the contents of, juvenile case files protected under another state law or federal law or regulation, shall petition the juvenile court. The juvenile court may only release the portion of, or information relating to the contents of, juvenile case files protected by another state law or federal law or regulation if disclosure is not detrimental to the safety, protection, or physical or emotional well-being of a child who is directly or indirectly connected to the juvenile case that is the subject of the petition. This paragraph shall not be construed to limit the ability of the juvenile court to carry out its duties in conducting juvenile court proceedings.

(B) Prior to the release of the juvenile case file or any portion thereof, the court shall afford due process, including a notice of and an opportunity to file an objection to the release of the record or report to all interested parties.

(4) A juvenile case file, any portion thereof, and information relating to the content of the juvenile case file, may not be disseminated by the receiving agencies to any persons or agencies, other than those persons or agencies authorized to receive documents pursuant to this section. Further, a juvenile case file, any portion thereof, and information relating to the content of the juvenile case file, may not be made as an attachment to any other documents without the prior approval of the presiding judge of the juvenile court, unless it is used in connection with and in the course of a

criminal investigation or a proceeding brought to declare a person a dependent child or ward of the juvenile court.

(5) Individuals listed in subparagraphs (A), (B), (C), (D), (E), (F), (H), and (I) of paragraph (1) may also receive copies of the case file. In these circumstances, the requirements of paragraph (4) shall continue to apply to the information received.

(b) (1) While the Legislature reaffirms its belief that juvenile court records, in general, should be confidential, it is the intent of the Legislature in enacting this subdivision to provide for a limited exception to juvenile court record confidentiality to promote more effective communication among juvenile courts, family courts, law enforcement agencies, and schools to ensure the rehabilitation of juvenile criminal offenders as well as to lessen the potential for drug use, violence, other forms of delinquency, and child abuse.

(2) Notwithstanding subdivision (a), written notice that a minor enrolled in a public school, kindergarten to grade 12, inclusive, has been found by a court of competent jurisdiction to have committed any felony or any misdemeanor involving curfew, gambling, alcohol, drugs, tobacco products, carrying of weapons, a sex offense listed in Section 290 of the Penal **Code**, assault or battery, larceny, vandalism, or graffiti shall be provided by the court, within seven days, to the superintendent of the school district of attendance. Written notice shall include only the offense found to have been committed by the minor and the disposition of the minor's case. This notice shall be expeditiously transmitted by the district superintendent to the principal at the school of attendance. The principal shall expeditiously disseminate the information to those counselors directly supervising or reporting on the behavior or progress of the minor. In addition, the principal shall disseminate the information to any teacher or administrator directly supervising or reporting on the behavior or progress of the minor whom the principal believes needs the information to work with the pupil in an appropriate fashion, to avoid being needlessly vulnerable or to protect other persons from needless vulnerability.

Any information received by a teacher, counselor, or administrator under this subdivision shall be received in confidence for the limited purpose of rehabilitating the minor and protecting students and staff, and shall not be further disseminated by the teacher, counselor, or administrator, except insofar as communication with the juvenile, his or her parents or guardians, law enforcement personnel, and the juvenile's probation officer is necessary to effectuate the juvenile's rehabilitation or to protect students and staff.

An intentional violation of the confidentiality provisions of this paragraph is a misdemeanor punishable by a fine not to exceed five hundred dollars (\$500).

(3) If a minor is removed from public school as a result of the court's finding described in subdivision (b), the superintendent shall maintain the information in a confidential file and shall defer transmittal of the information received from the court until the minor is returned to public school. If the minor is returned to a school district other than the one from which the minor came, the parole or probation officer having jurisdiction over the minor shall so notify the superintendent of the last district of attendance, who shall transmit the notice received from the court to the superintendent of the new district of attendance.

(c) Each probation report filed with the court concerning a minor

whose record is subject to dissemination pursuant to subdivision (b) shall include on the face sheet the school at which the minor is currently enrolled. The county superintendent shall provide the court with a listing of all of the schools within each school district, within the county, along with the name and mailing address of each district superintendent.

(d) Each notice sent by the court pursuant to subdivision (b) shall be stamped with the instruction: "Unlawful Dissemination Of This Information Is A Misdemeanor." Any information received from the court shall be kept in a separate confidential file at the school of attendance and shall be transferred to the minor's subsequent schools of attendance and maintained until the minor graduates from high school, is released from juvenile court jurisdiction, or reaches the age of 18 years, whichever occurs first. After that time the confidential record shall be destroyed. At any time after the date by which a record required to be destroyed by this section should have been destroyed, the minor or his or her parent or guardian shall have the right to make a written request to the principal of the school that the minor's school records be reviewed to ensure that the record has been destroyed. Upon completion of any requested review and no later than 30 days after the request for the review was received, the principal or his or her designee shall respond in writing to the written request and either shall confirm that the record has been destroyed or, if the record has not been destroyed, shall explain why destruction has not yet occurred.

Except as provided in paragraph (2) of subdivision (b), no liability shall attach to any person who transmits or fails to transmit any notice or information required under subdivision (b).

(e) For purposes of this section, a "juvenile case file" means a petition filed in any juvenile court proceeding, reports of the probation officer, and all other documents filed in that case or made available to the probation officer in making his or her report, or to the judge, referee, or other hearing officer, and thereafter retained by the probation officer, judge, referee, or other hearing officer.
